Re: APS Account Number [REDACTED] 00

Dear Donald [REDACTED]

Great news, a refund check is headed your way. That's because as a customer with solar, your annual energy usage charges were less than credits received for the energy your solar system exported to the grid this year.

Refund checks for credit balances greater than \$25 are issued at the end of the calendar year and will be mailed to you after your December billing cycle.

If you have any questions, please call us at (602) 216-0318 (metro Phoenix) or (800) 659-8148 (other areas) weekdays from 7:30 a.m. - 5:30 p.m.

Sincerely,

Customer Technology Support Team
